

Access the **Statewide Paediatric HealthPathways** via your region's HealthPathways

Search for your region: [PHN locator](#) *

Example – HealthPathways Melbourne

HOW

Log in on [HealthPathways Melbourne](#)

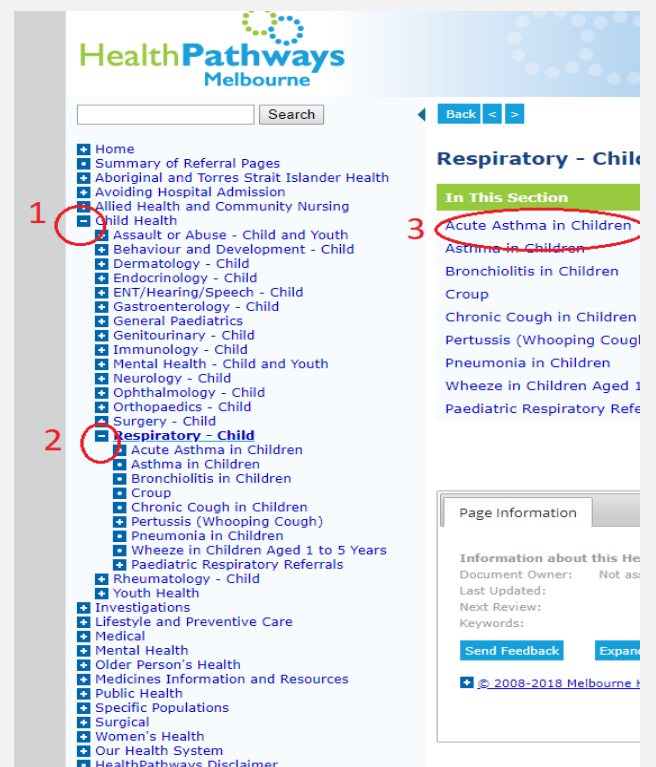

Access [Respiratory in Child](#)

Access [Gastroenterology in Child](#)

LOOK FOR the **Project ICON** on top of a pathway

See right for example on navigating the menu to
access the Respiratory suite.
Alternatively, use the search bar at the top left of
the webpage.

The screenshot shows the HealthPathways Melbourne website interface. At the top left, there is a search bar labeled '1'. Below it is a navigation menu with various categories. The 'Respiratory - Child' category is highlighted with a red circle and labeled '2'. Under this category, 'Acute Asthma in Children' is highlighted with a red circle and labeled '3'. On the right side of the page, there is a 'Respiratory - Child' section with a 'In This Section' sub-section. The 'Acute Asthma in Children' link is highlighted with a red circle. At the bottom right, there is a 'Page Information' box with details about the document owner, last updated date, next review, and keywords. There are also 'Send Feedback' and 'Expand' buttons.
